Over 100 Yearling Red Angus Bulls and 50 Open Purebred Heifers Sell!

www.loosliredangus.com

Dear Red Angus Friends,

It is our pleasure to welcome you to the **49th Annual** Loosli Red Angus Production Sale. We appreciate the many years of support and owe our customers and fellow cattlemen a special thank you! We are reminded daily how fortunate we are to be involved in the cattle business and count this as one of our many blessings.

Being part of the ever-growing Red Angus breed is something we take great pride in. We have been continually striving to improve our herd, being consistent yet progressive, because your satisfaction is our continued success.

We are in some interesting times throughout the world, and this affects the cattle industry. However, the Red Angus Breed continues to move forward and lead the industry with tremendous interest and demand. Red Angus cattle have proven themselves with low-maintenance, high fertility/maternal qualities, calving ease, and of course, great dispositions. These many natural advantages have contributed to the tremendous growth in the Red Angus breed. This is where you can count on our program to improve genetics and help you remain profitable. We want to increase value to your herd...not low-cost production or high-cost production, but rather, efficient production to wean more calves.

We have put together a very solid set of bulls this year with genetics from breed-influencing sires and dams. This bull offering features some exciting genetics with the numbers to match. You will notice the select, well-known sires in the pedigree charts. Their outstanding traits are carrying through to our herd as anticipated. This group of bulls has something that will benefit any cattle operation. We have several top-notch herd bull prospects along with bulls that you can use on your heifers. Look over the bulls' traits and add them to your herd. Then there is ...Balance! We strive for balance because bulls that are balanced in many areas are more profitable. It comes down to the bottom line.

The Red Angus replacement heifers are some of the fastest growing components of the beef business. They have been labeled as the Most-Favored Female and are renowned for their longevity in the herd. Rebuilding and maintaining a great herd begins with replacement heifers, so we make sure our sale heifers have outstanding combinations of great mothering traits, natural muscle, wide tops, great udders, and of course, sound disposition. You will love our excellent selection of 80 stylish heifers.

See these outstanding traits for yourself as we run the bulls and heifers through the sale ring. Come view the cattle any time before the sale or watch the online videos on our website. We have people to assist you and thank our hard-working ranch hands that help perform valuable day-to-day tasks!

We are extremely proud of our sale selection this year and welcome your calls to discuss your cattle needs. Please look through the catalog and visit our website at www.Loosliredangus.com to view pictures, videos, and current EPDs of our powerful genetics.

We want to invite you to our ranch in Ashton, Idaho, on **Tuesday, March 14, 2023**, to have a delicious lunch and be part of this great sale. You can also watch/bid online through LiveAuctions.TV.

Thanks again,
Brian and Karen Loosli & Family

Retained Ownership: Loosli Red Angus is retaining a full ½ semen interest in every sale bull...Buyer will take full possession and retain full salvage value in the bull. Bulls collected for A.I. use will be done in the off season at the buyer's convenience with expense paid by Loosli Red Angus. Please call Brian Loosli for more information. 208-317-7878

Transportation: Bull delivery is free to central points in Idaho and to central points for adjoining states. For more distant locations or single animal purchases outside these central points, the buyer will be responsible for these costs. We will assist you in making delivery arrangements at the lowest possible cost.

Insurance: Tell the clerks when you checkout if you wish to insure your purchases and they will give you the application. Coverage starts immediately when you turn in your application. The insurance is through American Livestock at 630 232-2100. All purchases are the buyers' responsibility as soon as they are sold.

Sale Order: Cattle will sell in catalog order.

Information: Updated EPDs (yearling) and data are available on our website.

Announcements/Liabilities: Announcements made from the sale block on sale day take precedence over the catalog. All persons attending the sale do so at their own risk. Seller assumes no responsibility, legal or otherwise, for any accidents occurring in, on, or about the premises.

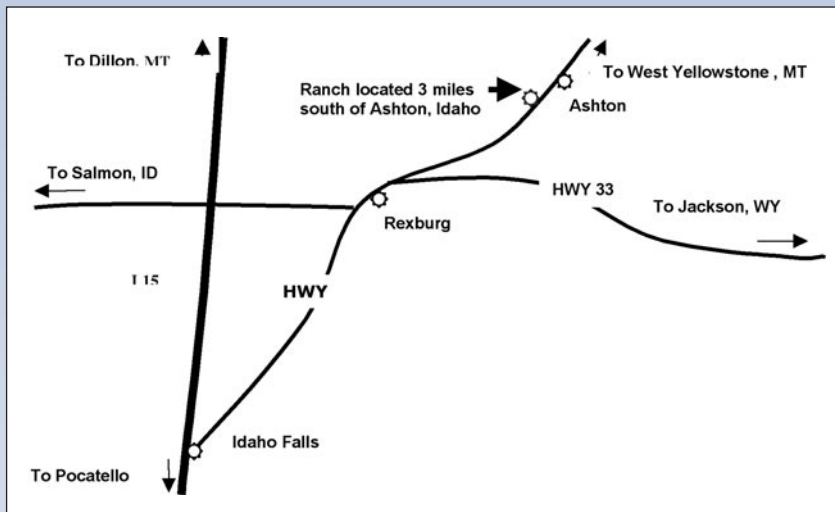

Guarantee: Loosli Red Angus guarantees all bulls selling for \$3,000 or more against breeding injury for the first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bull(s). If a replacement bull is available, he will be provided, or if buyer prefers credit toward one bull will be given in the following year's sale, less salvage value of the injured bull. Under no circumstance will Loosli Red Angus be liable for more than the net purchase price of any bull. Please notify us as soon as possible, should such an injury occur, to make your claim and arrange your return of the injured bull. Broken bones or injuries due to negligence will not be covered under this guarantee. A bull that dies will not be covered by this guarantee. We recommend the purchase of livestock mortality insurance to mitigate this type of loss.

Lunch served at 11:30 a.m. on sale day!

What a way to start our Loosli Sale. . . A Brown CSB Triad D6451 son! Triad is our senior herd sire out of the popular GMRA Trilogy and a HUST Chief Sequoia daughter. He has produced many herd sire prospects for us with his progeny working well in other registered herds. As impressive as his sons are, his daughters have become a staple in our herd and elsewhere. In our opinion, 287 is possibly Triad's best son to sell to date. He has been at the top of our lists since a calf. Every time we go through the bulls, he impresses us more and checks off every box. He has a great phenotype with good natural muscling and dimension with an impressive 2% CW. His other numbers match this greatness with a 70 lb BW along with ratios of 109 WR, 109 YR and 9 EPDs in the top 25% of the breed. This puts his indexes at ProS at 5% and HB at 11%. He was his dam's first calf giving her a strong 104 MPPA. Included in his pedigree are Andras Bourne Silver, Andras Frontier, and 5L Hobo Design. He comes from a strong cow family with 3 generations still working in our herd.

Let's start with this bull's dam. Hannah 2116 has produced multiple herd bulls, including last year's second high seller, Loosli Triad 1114 selling to Devon Gretzky in North Dakota. With these genetics, we have kept every one of her daughters. Her first son was Loosli Riverside 414, who has also produced multiple herd sire prospects for us, and a strong group of replacement females. The sire is Bieber Stockmarket, who needs no introduction within the breed. This bull's combination of sire and dam makes him one of the most complete bulls to sell today! He has that unique explosive growth with his top 3% WW and YW EPDs. Phenotypically he is impressive with his dimension, muscling and herd bull look. His single digit EPD profile will be hard to match.

A son of Loosli Perseverance 019 who topped our sale in 2021 for \$25,000 selling to Tracy Hawker in Idaho. His progeny is outstanding and fast becoming one of our top herd sires. This bull will be the first of his sons to sale to date. He also has that phenotype appeal and single digit EPD rankings... top 3% WW, YW, ADG, 1% Milk and 5% CEM EPDs. He has 8 EPDs in the top 25%. This bull's dam is from a strong cow family going back to the popular Brown Premier X7876. She is a young cow with a 105 MPPA. This bull has an impressive phenotype with data to back it up with a 70 lb BW, 112 WR and 118 YR.

Lot 4 – Loosli Spartacus 257

One of the largest capacity bulls in the sale with tremendous muscling and dimension. He has been a standout since birth and continues to be at the front end of the bulls on test. He has that moderate birth weight with positive ratios for both growth and carcass. You will not have any trouble marketing his profitable and efficient calves. Our Spartacus daughters are calving now, and they are beautiful females with great mothering abilities. His dam is an outstanding Teton granddaughter.

Lot 5 – Loosli Ultimatum 203

From a long line of powerful cows comes this powerful Ultimatum son. You will sure like what you see when you see this herd bull in the pen. Our Ultimatum sons and daughters have been well received and this stud will be also. We all want profitable pounds when it comes to marketing our cattle and this bull has the potential to do just that with WR of 102 and YR of 104. He has a lot of natural muscling and dimension. He has an outstanding profile with top 12% WW, 5% YW and 2% ADG and 11% Stay EPDs.

This Mission bull has as much muscling and dimension as any bull in the sale. Herd bull written is all over him with a 9% HerdBuilder Index. Sire 5L On A Mission is an up and coming carcass gem. He scanned an 8.19 IMF for a 137 ratio and 13.23 REA for a 115 ratio. He is being used heavily in both the Loosli and 5L programs. This bull has a moderate birth weight with a 103 WR and outstanding EPD carcass profile.

You will appreciate the all-around balance and greatness of this Triad Son. They consistently rise to the top especially when he is mated to a great cow family like this one. The maternal great grand dam is a high performing cow that just happens to be the dam of Loosli Conrad who produced a lot of high performing cattle for us and our customers alike. The maternal grand dam was in our donor pen and did great things for us. The dam is just a 2-year-old that is obviously off to a great start. This bull has a great spread with his 17 CED and -4.0 BW to 71 WW and 115 YW EPDs. He has a 66 lb actual BW and 109 WR and 109 YR. With 8 EPDs in the top 17%, this bull stacks many generations of great genetics to improve your herd!

The newest member of our family, Byron Lynn Loosli!

One of the best Triad sons to sell today. A sleep-all-night calving ease bull that does everything right. What a ratio spread 89 BR to a 104 WR and 105 YR. A good-looking bull that catches your eye the minute you walk into the pen. He is has a great phenotype and has a good spread of EPDs with a 17 CED and -4.0 BW to top 13% YW and 4% ADG. That makes 8 EPDs in the top 25%. Tracing back to a very predictable cow family one should expect a very marketable genetic package that produces realistic results.

This bull has a double bred pedigree that doubles up on the greatness of Bourne! Check out his balanced EPD line with his great calving ease top 3%, and notable growth and solid carcass numbers. Combine this with his fertility, 1% HPG, you will see why he is a high indexing bull. Breed him to both heifers and cows. His calves are going to make you money with steers that get a premium. The same will be true with the heifers whether it is through replacements or selling them.

Here is the first Loosli Epic 038 son to sell, and we have a feeling they are going to turn into great bulls! Epic is a Merlin grandson and out of a Loosli Riverside 414 daughter. He had a lot of attention in our 2021 sale and was a top selling bull that day. Epic 219 is following suit and should have plenty of interest sale day. You will like the performance spread that this bull has to offer of 70lb BW and YW of 1159. Add the numbers of 2% CW and 15% STAY to balance him off.

This is an ET mating of Triad and Miss LL Design 927. She has been a prominent fixture in our herd. She has 25 calves to her name and several yet in the tank. We let her go this past year at the age of 13, yet known for a stellar phenotype, great legs and feet and udder. This is a powerful bull from that mating and should work well on mature cows.

A very powerful Stockmarket son with numbers to match. A top 4% WW, 1% YW and 1% ADG EPDs. Loads of carcass as well with top 3% MA and 5% REA EPDs. These combinations add up to a 17% ProS and top 3% GM. That's 6 EPDs in the top 5% of the breed. This bull looks the part as well. A nice proven pedigree combination of Stockmarket x Profit Driven. We're halfway through the sale and still have these great numbers!
