

52nd Annual
LOOSLI
Bull Sale

Tuesday, March 10, 2026 • 1 p.m. (MST)

At the Ranch in Ashton, Idaho

Over 100 Yearling Red Angus Bulls and 40 Open Purebred Heifers Sell!

www.loosliredangus.com

Dear Red Angus Friends

Welcome to the 52nd Annual Loosli Red Angus Production Sale! This milestone wouldn't be possible without the incredible customers and friends who have supported us for the past five decades. Your trust drives everything we do—and this year's offering is one we're especially proud to bring to you. Demand for Red Angus cattle continues to grow, and for good reason. These cattle are built for real-world performance: low maintenance, strong fertility, calving ease, excellent maternal ability, and dependable dispositions. At Loosli Red Angus, our focus is simple—raise cattle that make your operation more efficient and more profitable.

Powerful Bulls. Proven Genetics. Real Results.

This year's bull lineup combines elite, breed-leading genetics with the phenotype and performance you need. These bulls are designed to add value, improve your herd, and work for you year after year. If you're looking for reliability, consistency, and long-term return, you'll find it in this offering.

Elite Replacement Heifers.

Our Red Angus females are the backbone of our program—and they can be the foundation of yours. Known as the "Most-Favored Female," Red Angus heifers deliver longevity, fertility, strong maternal instincts, and dependable productivity. This group features natural muscle, strong topline, sound udders, and calm dispositions. Simply put, they're built to last and built to perform.

Preview the cattle anytime at LoosliRedAngus.com, and view bulls at Veltkamp Livestock in Manhattan, MT. We welcome your calls and would love to help you find the right genetics for your program. Join us at the ranch in Ashton, Idaho, on Tuesday, March 10, 2026, for great cattle, great food, and a celebration of 50+ years of progress. Can't attend in person? Bid confidently online through LiveAuctions.TV.

We're proud of this year's offering and excited to help move your herd forward. Thank you for being part of the Loosli Red Angus story.

— Brian Loosli Family

Sale Representatives

Curt Cox, WY Livestock Round-Up:
Office 307-234-2700, Cell 307-630-4604
Jake Pickering, Western Ag Reporter: 530-415-5484
Jared Patterson, Western Livestock Journal: 208-312-2386
Rod Wesselman, Special Assignment: 509-750-2185
Kelly Smith, RAAA Director of Commercial Marketing: 417-855-9461

Auctioneer: Kyle Colyer: 208-845-2098

View Cattle: The cattle are on test at the Veltkamp Livestock Center, 11526 Gravel Pit RD, Manhattan Montana.

Retained Ownership: Loosli Red Angus is retaining a full ½ semen interest in every sale bull...Buyer will take full possession and retain full salvage value in the bull. Bulls collected for A.I. use will be done in the off season at the buyer's convenience with expense paid by Loosli Red Angus. Please call Brian Loosli for more information. 208-317-7878

Transportation: Bull delivery is free to central points in Idaho and to central points for adjoining states. For more distant locations or single animal purchases outside these central points, the buyer will be responsible for these costs. We will assist you in making delivery arrangements at the lowest possible cost.

Insurance: Tell the clerks when you checkout if you wish to insure your purchases and they will give you the application. Coverage starts immediately when you turn in your application. The insurance is through American Livestock at 630 232-2100. All purchases are the buyers' responsibility as soon as they are sold.

Sale Order: Cattle will sell in catalog order.

Information: Updated EPDs (yearling) and data are available on our website.

Announcements/Liabilities: Announcements made from the sale block on sale day take precedence over the catalog. All persons attending the sale do so at their own risk. Seller assumes no responsibility, legal or otherwise, for any accidents occurring in, on, or about the premises.

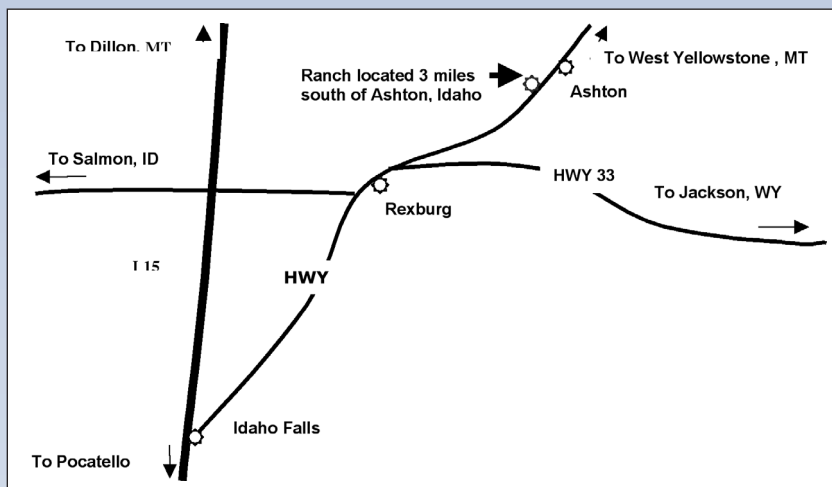

Guarantee: Loosli Red Angus guarantees all bulls selling for \$3,000 or more against breeding injury for the first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bull(s). If a replacement bull is available, he will be provided, or if buyer prefers credit toward one bull will be given in the following year's sale, less salvage value of the injured bull. Under no circumstance will Loosli Red Angus be liable for more than the net purchase price of any bull. Please notify us as soon as possible, should such an injury occur, to make your claim and arrange your return of the injured bull. Broken bones or injuries due to negligence will not be covered under this guarantee. A bull that dies will not be covered by this guarantee. We recommend the purchase of livestock mortality insurance to mitigate this type of loss.

Lunch served at 11:30 a.m. on sale day!

in loving memory of

Portia R. Loosli

Lynn and Portia held their first bull sale of registered Herford cattle in 1974. Portia, along with neighbors and friends, put on a lunch prior to the sale where they served baked potatoes with stroganoff and, of course, pies. This tradition has continued for 51 years and is one of the highlights of coming to Loosli Farms.

Portia and Lynn had nine children – many who would be pulled out of school for the day to help at the bull sale. Portia's hospitality went beyond the bull sale. Often during the summer, the Loosli household would host cattle buyers as they came to look at the herd.

Portia would always have a hot meal ready for them as they discussed the cattle.

After Lynn passed away in 2009, Portia continued to support the Loosli Bull Sale by baking potatoes and loads of pies. She was always serving everyone their favorite desserts at the end of the lunch line. "Don't forget the whipped cream!"

We love you mom/grandma and miss you!

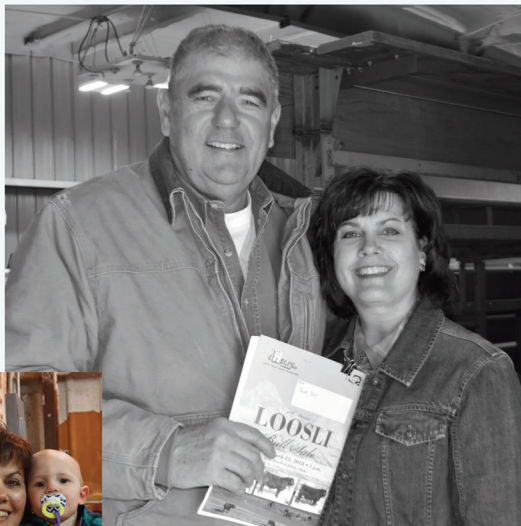

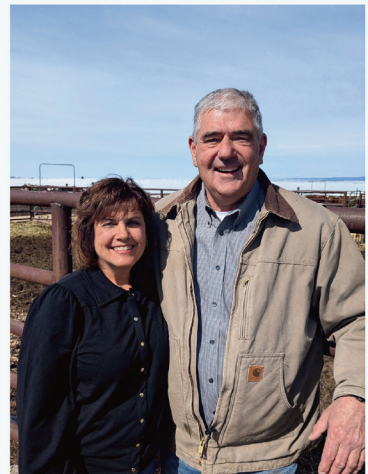

in loving memory of

Karen S. Loosli

When Karen married Brian Loosli in 1982, little did she know how much of an impact she would have on Loosli Farms and Loosli Red Angus. Not only was Portia grateful for some extra help with the luncheon, but Karen helped to transform the bull sale into an event the whole town wanted to attend.

Karen was constantly searching for new buyers and was scanning the Red Angus Catalog for ideas on how to improve her own ad. Karen had amazing writing and organizational skills. She designed the first letterhead for Loosli Red Angus and she was the chief editor for the sale catalog. Karen's detailed lists ensured that the day ran smoothly.

On sale day, buyers were greeted at the checkout by Karen's welcome smile. Karen loved talking to people and was great at remembering people's names and stories. She has a magical way of helping everyone feel special. We love you, Mom, and can't believe we have to do this without you. We will try to make Loosli Bull Sale #52 one to remember.

We start off the sale with a true standout of a bull. He is Herd Bull in every sense of the phrase. His sire, Bieber Flash Drive L179, is one of our new herd bulls and we have not been disappointed in our investment. He comes from a very productive pedigree and is stamping his calves. Loosli Flashdrive 524 is a dark red bull that is very masculine. He has always been a standout. He started with an average birthweight and weaned off with a 104 WR and continued on to a 114 YR. His dam is a solid cow with a 102 MPPA and backed by a top cow family. He has great indexes due to his high ERT values.

He has the “look”. 521 has everything you could want in phenotype – square built with great muscle expression, depth of body, strong hip, thick, and a good shoulder to name a few. He is the first son of the strong Loosli Lead Off 333 sire group to be offered. Lead Off is a standout 5L Foreman 370E son. His first calf crop will compete with any sire group. He was used heavy as a yearling and maintained his condition and covered a lot of cows. 521 has a strong set of EPDs with indexes in the top 30% of the breed. Moderate birthweight with good growth, maternal and carcass. All backed by his own performance record of a 98 BR, 113 WR and 115 YR. Let’s not forget about the cow family that is behind him as well. They are a top cow family that consistently get it done year in and year out.

The first Complete son to sale today. They were a standout sire group last year and they are again this year as well. The cow family is a consistent group that are getting the job done. 531 had a moderate birthweight with good growth as evidenced by his 100 BR ,104 WR and 111 YR. His EPDs follow suit with moderate BW and top 5% growth. His phenotype also matches the data with a good masculine frame with length and dimension.

The Collusion progeny have been popular for a couple years now and for good reason. They are the right type and kind. Though 5221 has a higher birthweight he matches that with good growth and carcass quality. He is also out of a top cow family that goes back to one of 3 most influential cows we have ever raised.

This bull with grab your attention as you enter the pen. His very masculine with loads of dimension. We are really liking the Lead Off progeny and believe they will continue to rise to the top. He sports good growth with fertility and carcass quality. Highly productive cow family that we see a lot of our top cattle going back to.

— A long bodied bull with a fantastic number set. He has a top 1% CED with a top 19% BW followed by top 24% WW, 22% YW, 21% ADG. All that growth comes efficiently with a top 26% DMI. He also has top 13% CEM and 7% STAY. He has great performance data as well with an 80 lb. birthweight for a 99 BR. He grew out well to an adjusted weaning weight of 712 lb. and has a 101 YR. He has an outcross pedigree with his sire, Meek Ignite K3, who is a calving ease low birthweight son of Bieber Atomic. Ignite is as thick and muscled as you can make one. His progeny come easy, grow and are the right type and kind. Dam is a productive cow with a 102 MPPA.

A stout made and good-looking Complete son that is a lower birthweight bull with a 96 BR and top 36% CED and 39% BW. He grew out well to a 105 WR and has that balanced set of EPDs with top 35% growth numbers as well. He also has some good fertility with top 13% HPG and top 20% STAY. Dam is getting it done with his maternal brother being Loosli Lead Off 333. The whole cow family is top notch with multiple generations above 100 MPPA.

Here is our first VGW Advantage 343 son and we are very pleased with this sire group. Advantage was our pick at the Westphal sale in 2024. He is a STRA Admiral 0150 son, who is doing a tremendous job not only in the Red Angus breed but the Simmentals as well. Unfortunately, last winter we lost Advantage. This is probably the son to replace him, and we will be collecting semen and use him in herd. Cow family is top notch. 526 is a solid built bull with good performance data with his 100 BR and 104 WR and 103 YR. His EPDs follow that pattern with good balanced calving ease and birthweight to growth and maternal.

Pure power and carcass bull here. He has off the charts growth EPDs and big-time carcass numbers as well. He backs up the prediction with his own performance with a 113 WR and 110 YR. Phenotypically he is a bigger framed bull with good thickness and length giving him the power bull look. Dam is a high-performance cow with a 107 MPPA.

Heifer bull that is more than a heifer bull. That is what Ignite brings to the table. Top 9% CED, 7% BW, 23% WW, 37% YW with top 35% DMI combined with top 4% CEM and top carcass with 27% MA, 26% CW and 30% RE. His own performance is an 80 lb. actual birthweight and growing out to an 803 lb. weaning for a 112 WR and continuing on to a 114 YR. Cow family is top notch. Dam is from an embryo purchased from Feddes Red Angus and is out of their famous Slek 806 cow.

— A moderate but very thick bull with good dimension all around. We call his sire Reality. This is his first calf crop, but we got him later and so we didn't use him very hard the first year. This is 1 of 3 sons in the sale. They look good and we have a good crop being born now that we are excited about, so consider this a preview of what's to come. Take a look at that EPD profile and wonder why he is not higher in the sale. Lots to like as well with his individual performance with 95 BR, 107 WR and 113 YR. Young dam who got it done on her first calf and granddam is a fabulous Triad daughter with averages of 91 BR, 108 WR, 110 YR for a 104 MPPA.

Dark red and thick. He is well put together and has the look of the Collusion progeny. He has a great genomic profile with good growth, carcass and longevity leading to some high indexes with his 5% ProS, 22% HB, and 5% GM. We really like our Triad daughters, and his dam is an example of why. She is a 6 year old with progeny averages of 99 BR, 103 WR, 107 YR, and 102 IMFR on her 4 calves. Solid cow family going back generations.

You always notice 583 when you go through the bulls. He has the look and is a good representation of why we have used 5L Foreman 370E. He also is super gentle and seems to always be around you. He is a ¾ brother to Loosli Lead Off 333. Good balanced set of numbers for his own performance and his EPD profile. Dam is a first timer, but cow family is solid and has been a high-performance line.

This bulls' maternal Granddam, Miss LL Design 927, is one of the most famous cows to walk our pastures. She has produced a lot of herd bulls and top-notch heifers as well. He is a moderate bull that is very masculine and has great thickness. Heifer bull with his top 1% CED and 3% BW. He also has enough growth with a top 29% WW and don't overlook his top 17% MA.

Just a young bull but he comes with a good frame that is filled out nicely. The cow family goes back to our Miss Loosli Right Design 329 donor cow. His dam is doing well on her 2 calves and granddam is a high performing cow as well. 5169 has a lot of performance with his 112 WR and 115 YR. What an EPD profile. Top of the breed with his 1% WW, YW, ADG, and CW. Add to that a top 2% MA and REA – you don't see that often. He also has respectable maternal numbers. No wonder he has top 2% ProS, 30% HB, and 1% GM indexes. No matter how you use and market his calves, you should see a huge return on your investment.

Every time I see this bull, I like him more. He has always been on the list of ones to watch, but he moves up the list at each check-in. Balanced EPDs with good CED and BW to acceptable growth. He followed that same pattern with his own performance of a 89 BR to a 100 WR and 103 YR. Cow family has plenty of performance with moderate birthweight. Their MPPA's read as 102, 107, 100.

By now you can tell that we really like the Lead Off 333 progeny. This son adds a top performing cow family as well. His dam has a 102 MPPA on 9 calves and his granddam has a 104 MPPA on 11 calves. He has moderate birthweight with a top 25% growth. As evidence in the cow family, lots of fertility and longevity as well.

Here is a cool looking bull with great muscle expression, depth of body, and length on a good frame. His combination of Complete on top with a Triad by Diesel dam is great. That gives us low birthweight (96 BR), great growth (111 WR and 113 YR) and carcass quality. He should pass that on to his calves as well as evidenced by his EPD profile.
